

K-12 Security

LINSTAR Security provides comprehensive solutions to enhance security, streamline operations, and encourage a conducive learning environment in educational institutions. Our advanced technologies and services include access control solutions, visitor management, weapon screening, vape detection, student tracking, and ID card issuance systems.

ACCESS CONTROL

Access control solutions keep students and staff safe by limiting and monitoring authorized access to rooms and areas. Restrict student access to specific areas by setting varying levels of security clearance depending on individual staff needs and authorization.

VIDEO SURVEILLANCE

Ensure safety in the facility while protecting your school with a commercial video surveillance system. Day or night, the use of surveillance cameras are a proven deterrent and help you capture and track activity in hallways, doorways, classrooms and more. These work hand-in-hand with our All-In-One sensor.

ALARM MONITORING

Remote security and alarm system monitoring services for your hallways, classrooms, or doorways. As an add-on to your commercial security system, services may include automated alerts of intrusion, alarm, and after hour entrances.

INTRUSION DETECTION

Intrusion alarm is a standalone or integrated component of commercial security systems. Intrusion components include control panels, keypads, sensors, alarm and sounding devices. Deter vandalism or in specific areas of your school.

K-12 Education Solutions

At LINSTAR Security, we understand that creating a safe and efficient environment for students, faculty, and staff is of utmost importance. That's why we offer comprehensive solutions that empower educational institutions to enhance security, streamline operations, and foster a conducive learning environment. Our range of advanced technologies and services includes state-of-the-art ID card issuance systems, access control solutions visitor management, weapon screening, vape detection, and integrated student tracking solutions.

VAPE & ALL-IN-ONE MULTI-SENSOR

This multi-sensor from LINSTAR Security detects vaping in areas such as bathrooms and locker rooms. This sensor can detect calls for help, gunshots, and air quality.

K-12 WEAPON DETECTION SYSTEM

LINSTAR Security enhances weapons detection with Weapon Detection Systems, prioritizing the safety and well-being of students, staff, and visitors. These systems use AI and machine learning to deliver an efficient and effective security screening process.

SILENT PANIC ALERT SYSTEM & APP

LINSTAR Security offers various panic alarm solutions that can turn any computer or smartphone into a silent panic button with real-time location tracking.

FACULTY, STAFF, & STUDENT ID CARDS

LINSTAR Security offers comprehensive staff, faculty, and student identification solutions, including ID card printers, software, supplies, and accessories.

SCHOOL VISITOR MANAGEMENT SYSTEMS

MESSAGE
[Alert] EMILY BARTNIC was signed out of school on 1/24/2023 at 10:05:23 AM by MARY JO BARTNIC for a DOCTOR APPOINTMENT

LINSTAR Security offers various K-12 visitor management systems which streamlines the check-in and check-out process, enhances security protocols, and facilitates efficient communication among administrators, staff, and parents.

STUDENT BEHAVIOR MANAGEMENT SYSTEM

Student Behavior Management Systems from LINSTAR Security allow staff to scan student IDs to view information. This can be used to verify a student's photo and information, print passes, assign warnings, and manage detentions.
